1 a new and largely impartial view of willem adolf visser t hooft
2 a personalized mirror of 20th century history in general
3 a sharp tool to analyze church challenges then en perhaps even now

god's diplomat the pope of the ecumenical movement but also an acerbic theologian and a difficult person this is how journalists characterised willem adolf visser t hooft 1900 1985 he was one of the best known dutch theologians outside the netherlands and he left his mark on the world church even at an early age he made profound efforts in support of international ecumenical youth and student organisations dutch student christian movement ymca and world student christian federation he led the world council of churches during its formative stages from 1938 and after its formal establishment in 1948 became its first general secretary serving until 1966 to visser t hooft the unity of the church was both an article of faith and a pragmatic organisation of church influence in a disunited world

written by leading scholars from around the world the articles in this volume range from sin sufism and terrorism to theology in the 19th and 20th centuries vatican i and ii and the virgin birth

the anglican bishop george bell of chichester and the general secretary of the world council of churches willem a visser t hooft of geneva exchanged hundreds of letters between 1938 and 1958 the correspondence reproduced and commented upon here mirrors the efforts made across the ecumenical movement to unite the christian churches and also to come to terms with an age of international crisis and conflict in these first decades of the world council it was widely felt that the church could make a noteworthy contribution to the mitigation of political tensions all over the world that's why bell and visser t hooft talked not only to bishops and the clergy but also to the prime ministers and presidents of many countries they raised their voices in memoranda and published their public letters in important newspapers this was the world council's most successful period

george bell remains one of only a handful of twentieth century english bishops to possess a continuing international reputation for his involvement in political affairs his insistence that christian faith required active participation in public life at home and abroad established an eminent and often provocative contribution to christian ethics at large bell's participation in the tragic history of the german resistance against hitler has earned him an enduring place in the historiography of the third reich his february 1944 speech protesting against the obliteration bombing of germany made in the house of lords is still often considered one of the great prophetic speeches of the twentieth century throughout his long career bell became a leading light in the burgeoning ecumenical movement a supporter of refugees from dictatorships of all kinds a committed internationalist and a patron of the arts this book draws together the work of leading international

historians and theologians including rowan williams and makes an important contribution to a range of ongoing political ecumenical and international debates

uniquely authoritative and wide ranging in its scope the oxford dictionary of the christian church is the indispensable reference work on all aspects of the christian church it contains over 6 500 cross referenced a z entries and offers unrivalled coverage of all aspects of this vast and often complex subject from theology churches and denominations patristic scholarship and the bible to the church calendar and its organization popes archbishops other church leaders saints and mystics in this new edition great efforts have been made to increase and strengthen coverage of non anglican denominations for example non western european christianity as well as broadening the focus on christianity and the history of churches in areas beyond western europe in particular there have been extensive additions with regards to the christian church in asia africa latin america north america and australasia significant updates have also been included on topics such as liturgy canon law recent international developments non anglican missionary activity and the increasingly important area of moral and pastoral theology among many others since its first appearance in 1957 the odcc has established itself as an essential resource for ordinands clergy and members of religious orders and an invaluable tool for academics teachers and students of church history and theology as well as for the general reader

throughout the last two decades the modern dialogue movement has gained worldwide significance the knowledge about its origins is however still very limited this book presents a wide range of insights from eleven case studies into the early history of several important international interreligious interfaith dialogue organizations that have shaped the modern development of interreligious dialogue from the late nineteenth century up to the present based on new archival research they describe on the one hand how these actors put their ideals into practice and on the other how they faced many challenges as pioneers in the establishment of new interreligious interfaith organizational structures this book concludes with a comparison of those case studies bringing to light new and broader historico sociological understanding of the beginnings of international and multi religious interreligious interfaith dialogue organizations over more than one century the world s parliament of religions 1893 the religiöser menscheitsbund 1921 the world congress of faiths 1933 1950 the committee on the church and the jewish people of the world council of churches 1961 the temple of understanding 1968 the international association for religious freedom 1969 the world conference on religion and peace 1970 the council for a parliament of the world s religions 1989 1991 the oxford international interfaith centre 1993 the united religions initiative

2000 the universal peace federation 2005 based on these analyses the authors identify three distinct groups with sometimes conflicting interests that are shaping the movement individual religious virtuosi countercultural activists and representatives of religious institutions published in cooperation with the king abdullah bin abdulaziz international centre for interreligious intercultural dialogue vienna

contains seventy eight biographies of missionaries involved in the modern christian missionary movement includes biographies of missionaries such as robert speer kenneth latourette and william taylor

presents brief biographical sketches which provide vital statistics as well as information on the importance of the person listed

classic texts in mission world christianity a unique sourcebook on the history and mission of the church nearly two hundred selections covering the two millennia of the christian era are represented including both classic and contemporary voices of persons in mission women and men from africa asia the americas and europe and key texts for understanding the mission of christ the vocation of the church and the nature of christianity following the outline of david bosch s monumental transforming mission classic texts offers its readers the full texts cited throughout that best seller as well as dozens of additional primary sources from every era and every part of the world from the seventh century abbess bertilla of chelles who directed both women and men missionaries in england to the nestorian monument detailing struggles with issues of contextualization in 8th century china to david livingstone s oft cited espousal of civilization commerce and christianity seldom quoted in its entirety classic texts provides a depth and breadth of resources unparalleled elsewhere

in the spring of 2005 almost by chance the diary of johannes cardinal willebrands which depicts events from the international ecumenical scene on the eve of the second vatican council was discovered the diary consists of three notebooks that were written during the period 1958 1961 during this time willebrands was also appointed the secretary of the newly established secretariat for christian unity 1960 as cardinal augustin bea s right hand man he played an important role in establishing contacts with the world council of churches and with other christian churches on the occasion of what would have been cardinal willebrands onehundredth birthday 2009 his diary has been translated and published into english with almost one thousand critical annotations the original dutch text is included in the annex the study of the diaries in the context of the international and national ecumenical movement can provide new insights

especially into the dialogue between the catholic church and the world council of churches in the period shortly before the second vatican council furthermore it provides fascinating information about the faction forming within the vatican in preparation of the council

covers developments in the realms of church unity mission and evangelism laity women in church and society and many other ecumenical subjects
